THE LOCKWOOD

The Lockwood Ranch offers approximately 1,900 square feet of space that is both functional and inviting. This open concept plan features 3 bedrooms, 2 full baths, a 2-car garage, and a full unfinished basement. Designed for both everyday living and effortless entertainment, the kitchen and dining room are 16' wide to accommodate a large dining table if needed along with island space, while overlooking the great room to create a seamless flow throughout the main living spaces. A walk-in pantry provides additional storage and convenience, while plentiful closet space is incorporated throughout the home. Primary suite features a large en suite bath and generous closet area. Upgraded 3-car garage is available for additional storage and flexibility. As with all Signature plans, the Lockwood Ranch can be modified to meet your needs and exterior options are available. Pricing will vary based on build location.
